New Concepts in the Neonatal Resuscitation Program (NRP), 7th ed., and Provider Course

9:00 am—3:00 pm

Cost of attendance: \$75.00 general course fee* (Includes light breakfast and lunch)

Course Book: Students are required to bring to class the Textbook/Learner Manual Neonatal Resuscitation, 7th ed., 2015. Textbook can be purchased from AAP (aap.org) or Amazon.com

Course Description: This 6 hour neonatal education program focuses on the immediate in-hospital resuscitation and stabilization of newborns using the American Academy of Pediatrics and American Heart Association course materials. Students are required to read the textbook and pass an on-line test and e-simulation prior to the course. Certificates of completion of on-line work must be provided on the day of the class. When a student registers for the class they will receive directions and materials to access testing site. During the course, new material will be discussed and demonstrated. Students will have the opportunity to practice skills and review missed questions. Stimulations will be used to allow students to demonstrate competence of skills and mastery of concepts.
